New Parent Families,

I would like to welcome you to the Valley View High School Instrumental Music Department. The boosters at Valley View are an important part of the music program.

The Valley View Band/Color Guard Boosters is an established non-profit organization helping to promote events and competitions for the Valley View band program made only possible through fundraisers and donations from parents and the community.

The Boosters are presented with a budget from the band director every year in June of items that are not supported by the school district. Competitions fees, events fees, instructor's fees, uniforms and other items needed in order to compete may be approved but does not guarantee they will be funded. It is only through the support of all parent donations, community sponsorship, scripts and fundraisers can the boosters assist the band/color guard program. Without all of the donations, sponsorships, fundraisers and scripts our band/color guard program becomes just another class.

- All parents of students in any of the Music programs (and Color Guard) at Valley View are encouraged to attend all booster meeting. Your input is required to make the Valley View Instrumental Music Program the best it can be. Please try to attend all meetings.

June 5th, 2006

July 3rd, 2006

August 7th, 2006

September 11th, 2006

October 16, 2006

November 6th, 2006

December 4th, 2006

January 8th, 2007

February 5th, 2007

March 5th, 2007

April 2nd, 2007

May 7th, 2007

We have 4 major fundraisers throughout the year in which we expect **all** parents to be involved in. These major events allow the boosters to help pay for each of the different music programs at Valley View.

1. Crimson Classic Field Show – Saturday October 21, 2006
2. Veteran's Day Classic Field Show – Friday November 10, 2006
3. Winter Drumline Competition – March 2007
4. Motor To Moo Rally – April 2007

In order to make the booster organization as productive as possible we rely on parent participation, listed below are some of the committees we have available, and hope that you will sign up and get involved:

Food Committee: helps to organize events and seek out donations that allow the boosters to provide food for the students. Some of the events that we provide food for are as follows:

- Band Camp - dinner on all home football game nights - snacks on all trips to competitions

Fundraising Committee: helps to organize events to assist students in raising money to defer their "fair share" amounts. Some of the events we have had in the past are as follows:

VALLEY VIEW HIGH SCHOOL

Instrumental Music Department

Booster President: Michael Browning

(951) 242-5785

email: boosters@vvsimp.org band website: www.vvsimp.org

- car wash - car raffle tickets - yearbook ads - Thanksgiving pies
- cell phone/ink cartridges recycling

Competition/Show Committee: helps to organize the various competitions and shows that are hosted by Valley View. Committee and volunteer positions are available in several areas: Traffic and Bus Control, Concessions and Vendor Item Sales, Hospitality (for Band, Spectators and Judges), Marketing and Show Programs, Administrative. Each committee will have parent and community volunteers to help in each area.

Uniform Committee: helps to organize and maintain the uniforms, and any sewing necessary for repairs and for flags.

Publicity and Marketing/Merchandise Committee: helps to organize and find merchandise we can sell on our web site. Also seeks out donations and sponsorships, ad yearbook advertisements, and business and merchant support (such as printing costs, paper and ink expense deferral). Promotes the band through various media including news print, cable tv, radio and banners/fliers.

Correspondence Committee: helps to print – stuff – stamp – and mail items from the booster club to businesses and parents. Also helps with phone-tree calls if necessary.

Equipment and Travel: helps to maintain all Booster owned inventory and equipment including bins, travel trailers, PIT Carts, PG and storage areas

Next Years Board:

President	Mike Browning	951.242.5785	michael.browning@mbrowning.com
1 st Vice President	George Schoelles	951.247.8207	george@schoelles.com
