Dear Local Business Owner:

The Valley View Crimson Regiment is celebrating another year as one of the premiere marching and field bands in the Inland Empire. This past year's marching season was our best ever. We once again hosted the Western Band Association's Crimson Classic, like we have in past, and were fortunate to again host the Southern California School Band & Orchestra Association's Veteran's Day Classic. We also were the physical site for the Canyon Springs hosted SCSBOA show. In the spring, our Jazz Band is a community musical ambassador at many schools and events, and our Winter Drum Line and Winter Color Guard compete in several Southern California performance circuits.

None of these events would be a reality and none of our accomplishments would be possible without donations from the many businesses, community members, and alumni from the Moreno Valley area. Proceeds from supporters helped us travel to the Bowl Games of America Marching Bands Field Competition at the Nokia Sugar Bowl in New Orleans, Louisiana where we took the Sweepstakes Trophy in our class. Donations also helped us purchase new equipment and uniforms, compensate staff, and defer the administrative cost per student.

We are already planning the new YearBook. Merchants who advertise in the Yearbook receive double benefits – they support the Valley View High School Music Department while making their business known to residents throughout Moreno Valley! Over 400 copies of the book are distributed each year to Instrumental Music Department students and their household members. Also, each participating business receives a copy of the Yearbook, further increasing your community visibility through more than 100 merchants. Previous contributors are listed on the back of this letter.

You are an important part of our effort to make the Valley View High School Crimson Regiment the best band in Southern California. Please fill out the enclosed advertisement order form and return it with your check and camera-ready copy to Valley View Band @ Valley View High School or call (951) 571-4850 x 34065 if you have any questions or would like us to pick up your ad order and copy.

Please accept our sincere thanks for your kindness and consideration.
