Dear \_\_\_\_\_

I have recently earned a performing spot in the Valley View HS Performing Arts magnet program. The various Valley View HS music programs travel across the state and country representing Valley View HS and the city of Moreno Valley. This year the programs will travel to over 35 locations including performances in Reno, NV, Las Vegas, NV, and various locations through out California.

The Valley View HS Crimson Regiment Marching Band is a 100 – member performing ensemble comprised high school musicians and performers between the ages of 14 – 18 from Valley View High School. All members share a passion for performance and artistic excellence, and believe that a truly rewarding performance ends with “leaving you heart on the field.”

In addition the Valley View HS jazz, concert, color guard, and percussion programs have all received nation recognition over its fifteen-year existence in their own right. Each of these programs offers the finest education in the performing arts. Staff members who work with the students have international recognition in their respective fields and share their experiences with all programs.

Being apart of the Valley View HS Crimson Regiment will cost me approximately \$500 for band members and \$550 for color guard members. Jazz members need to raise approximately \$300, color guard members \$600, and drumline members \$500. These expenses help to covers transportation, lodging, uniforms, lodging, meals at shows, instruments, performance fees, and several months of staff. **I am asking for your help with this cost. Valley View’s member sponsorship program is a way to help me pay for my participation in this National Award Winning High School Performing Arts Program.**

Any amount you can give will help. Simply complete the bottom portion of this letter, detach, and return to the address listed below. The Treasurer will credit my account, accordingly. The Valley View High School Performing Arts programs are amazing life changing experiences, and I appreciate your consideration of my request

Respectfully,
